#### ANNOUNCEMENTS

✦ Mother Teresa said: "Any country that accepts abortion is not teaching its people to love but to use violence to get what they want. This is why the greatest destroyer of love and peace is abortion."

Many forget that the status quo in Canada is any abortion, at any time, for any reason, at taxpayer expense. Many don't know that over a third (37.4%) of abortions are done on women who have already had one or more abortions. Many don't realize that as a Catholic Christian we need to defend life and publicly oppose abortion.

Life Chain is a simple and prayerful way to give public witness to the Truth that abortion is a violent destruction of human life. It takes only an hour and all you have to do is stand quietly with others, holding a sign with a simple message. The signs say: "Abortion kills Children", "Abortion hurts Women", and "Jesus forgives and heals". And as you stand, you can quietly pray the Rosary for the conversion of our leaders. This year the **Life Chain** demonstration takes place on Sunday, **October 5th**, from 2 to 3 PM on the corner of Bayview and Sheppard.

❖ The **Saint Monica prayer group**, where parents are praying (in English) for their children, is meeting every Monday morning between 9:30-11 across the church office. Everyone is welcome.

### **Wars bring more tears than solutions**

The world in which Christ's disciples live today is strongly marked by all kinds of divisions, whether they be ideological, ethnic, religious, economic, or still others. We are experiencing the triumph of egocentrism.

The wars and other violent conflicts of our time which cost the lives of millions of innocent people all over the world mostly come from a desire to do justice for oneself, using the means of destruction that one possesses. In the end there are more dramas, more tears, and more desolations than solutions brought to the problems experienced.

In such a context, Christ's invitation to become peacemakers resonates still more in the hearts of those who declare themselves Christians. For them, as well as for men and women of good will, peace – that precious commodity for life in common - can only be obtained at the cost of the sacrifices, participation and renunciation of each one. Nothing will change in the world of human beings if justice dies in our hands. We bear the responsibility of working for violence to cease and for peace to reign in and around us.

May Christ give us the courage to make real the dream of peace in the world, a peace which begins with my commitment. May Mary, Mother of the Church, enlighten us on this road of fulfilment of our vocation as daughters and sons of God. Peace to all women and men! (*Jean Nyembo SJ, Congo*)
