Pope Francis:

Advent is a journey towards horizon of hope

For the great human family it is necessary to renew always the common horizon toward which we are journeying. The horizon of hope! The time of Advent that we begin again today returns us to the horizon of hope, a hope that does not disappoint because it is founded on the Word of God. The time of Advent that the Church celebrates in preparation for Christmas is a new journey of the People of God with Jesus Christ, our Shepherd, who guides us in history towards the completion of the Kingdom of God. Let us rediscover the beauty of being together along the way: the Church, with her vocation and mission, and the whole of humanity, the people, the civilizations, the cultures, all together on the paths of time.

But on the way to where? In the Old Testament, the people of God journeyed toward Jerusalem, where the Temple of the Lord was, because, from there, from Jerusalem, came the revelation of the face of God and his law. At the fullness of time, however, revelation found its fulfillment in Jesus Christ, and the Temple of the Lord became God himself, the Word made flesh.

It is the Lord himself who guides our journey, the pilgrimage of all of the people of God; and by its light, even the other peoples can walk towards the Kingdom of justice, towards the Kingdom of peace.

What a great day it will be, when the weapons will be dismantled in order to be transformed into instruments of work!" the Pope reflected, noting the scripture passage from the prophet Isaiah which referred to such peace. And this is possible! We bet on hope, on the hope of peace, and it will be possible! The journey is never finished. Just as in each of our own lives, there is always a need to restart, to rise again, to recover a sense of the goal of one's own existence.

Mary serves as a model of this spiritual attitude, to this way of being and of journeying in life. Although she was just a simple girl, she carried in her heart the hope of God. In her womb, the hope of God took flesh, became man, and made history: Jesus Christ.

Mary's song of praise in the Magnificat is the canticle of the People of God on the journey, and of all men and women who hope in God, in the power of his mercy. (catholicnewsagency.com/)
