Pope Francis: Let our lives be conquered and transformed by the Resurrection

Christ is risen! In Him, through our Baptism, we are risen, we have passed from death to life, from the slavery of sin to the freedom of love. This is the Good News that we are called to carry to others in every environment, animated by the Holy Spirit.

Faith in the resurrection of Jesus and the hope He has brought to us is the most beautiful gift that a Christian can and must offer his brothers and sisters. The Good News of the Resurrection should shine on our face, in our feelings and in our behaviour, in the way in which we treat others.

We proclaim the resurrection of Christ when his light illuminates the dark moments of our existence, and we are able share it with others; when we know when to smile with those who smile, and weep with those who weep; when we accompany those who are sad and at risk of losing hope; when we recount our experience of Faith to those who are searching for meaning and happiness. And there - with our attitude, with our witness, with our life - we say 'Jesus is Risen,' with our soul. Let our lives be conquered and transformed by the Resurrection (*Vatican Radio*),
